

Code of Ethics

1. I will respect and not infringe upon the intellectual property of others.
2. I will conduct and market my professional work in a legal and ethical manner and will not engage in deceptive acts or practices.
3. I will maintain honesty and integrity when doing business with other members of Women of Waco.
4. I will treat all members of Women of Waco with respect, which includes exercising discernment when promoting my own product or service.
5. I will honor the contact information of Women of Waco membership and refrain from sending solicitations without permission to include email, text messages, Facebook Messenger and any other social media platforms.
6. I will speak and behave in a professional manner when attending Women of Waco events or sponsored events and when interacting with other members.
7. I will represent the business under which my membership falls and will refrain from promoting any other businesses through Women of Waco.
8. I will present myself in a professional manner as it relates to my business when attending Women of Waco events and sponsored events.
9. I will demonstrate respect to the entirety of the Women of Waco membership and visitors.
